

Kenji Yamamoto

Japan | Male | 23

EXPERIENCE

- Software Engineer at Sony (5 years): Developed embedded systems for consumer electronics.
- AI Researcher at Toshiba (3 years): Built AI models for image recognition applications.

EDUCATION

- Master in Computer Science, University of Tokyo, 2013

SKILLS

Python, Machine Learning, Embedded Systems, Problem Solving

PROJECTS

- AI Image Recognition System: Reduced error rate by 10%.
- Embedded System Optimization: Improved processing speed by 15%.

LANGUAGES

Japanese, English

CERTIFICATIONS

AWS Certified

PUBLICATIONS

- 'AI in Consumer Electronics', 2021

HOBBIES

Reading, Gaming, Traveling
