

# Ananya Kumar

India | Female | 25

## EXPERIENCE

- Biologist at National Research Lab (2 years): Conducted genetic research on plant resistance to drought.
- Research Assistant at University of Delhi (1 year): Assisted in publishing research papers in molecular biology.

## EDUCATION

- Bachelor in Biology, University of Delhi, 2020

## SKILLS

Research, Critical Thinking, Laboratory Techniques, Data Analysis

## PROJECTS

- Genome Mapping of Indigenous Plants: Published in Botanical Journal 2021
- Soil Microbe Study: Developed a model to predict plant growth

## LANGUAGES

English, Hindi

## CERTIFICATIONS

First Aid, Laboratory Safety

## PUBLICATIONS

- 'Genetic Mapping of Drought-resistant Plants', 2021

## HOBBIES

Traveling, Reading, Gardening
