

# Jonas Meier

Germany | Male | 26

## EXPERIENCE

---

- Data Scientist at SAP (3 years): Built predictive models for supply chain optimization.
- Software Engineer at BMW (2 years): Developed software for automotive telemetry systems.

## EDUCATION

---

- Master in Computer Science, TU Munich, 2017

## SKILLS

---

Python, SQL, Machine Learning, Data Visualization, Critical Thinking

## PROJECTS

---

- Predictive Maintenance Model: Reduced downtime by 12%.
- Sales Forecasting Algorithm: Improved accuracy by 18%.

## LANGUAGES

---

German, English

## CERTIFICATIONS

---

AWS Certified

## PUBLICATIONS

---

- 'Machine Learning in Supply Chain Management', 2019

## HOBBIES

---

Hiking, Chess, Photography
