## PROFESSIONAL EXPERIENCE

---

Supply Chain Coordinator - Nestlé, Mexico City August 2022 - Present

Manage the end-to-end logistics for raw material imports (cocoa and coffee) from Central American suppliers.

Reduced shipping delays by 20% through the implementation of a new real-time tracking system for freight forwarders.

Coordinate with the procurement and production teams to optimize safety stock levels, reducing inventory holding costs by 8%.

Ensure compliance with international customs regulations and sustainability certifications (Fairtrade, RainForest Alliance).

Logistics Intern - Maersk Line July 2021 - July 2022

Assisted in the booking and documentation process for maritime export containers.

Performed cost-benefit analyses of different inland transportation routes (rail vs. truck) for inland hubs.

Supported the sales team in preparing quotes for SME clients in the agricultural sector.
